

Bereshit · Color, cut & put the 7 days in order

בְּרֵאשִׁית

Teacher: Color the pictures. Cut on the thick lines. Lay them in order, then check: the dots under each picture match the dots on its box. Glue them on the strips and retell the story.

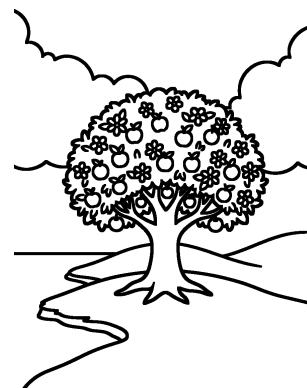

שֶׁמֶשׁ
Sun & Moon

אֹר
Light

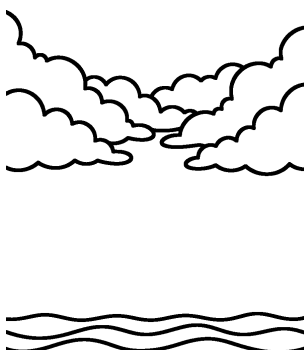

אָדָם
Animals & People

עֵץ
Land & Trees

שַׁבָּת
Shabbat

שָׁמַיִם
Sky & Water

דָּג
Fish & Birds

Name: _____

(not a picture: no cutting here)

Name: _____ Cut out both strips. Tape strip 2 under the end of strip 1.

Strip 1 →

1  glue here	2  glue here	3  glue here	4  glue here
--	--	---	--

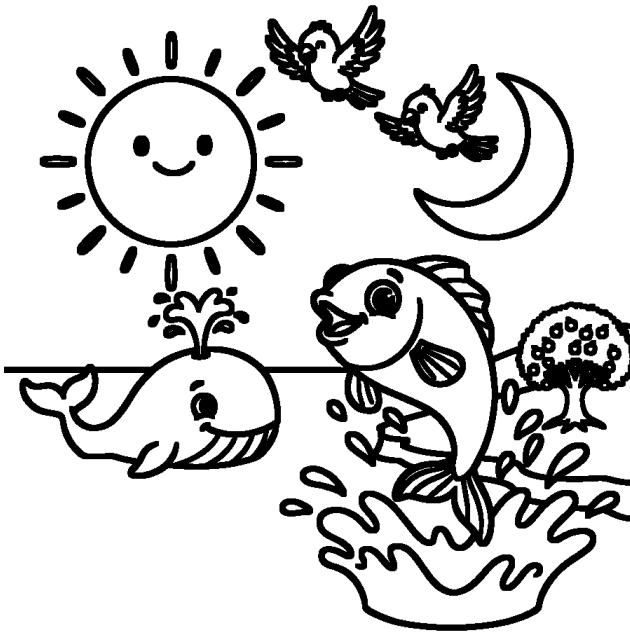

Strip 2

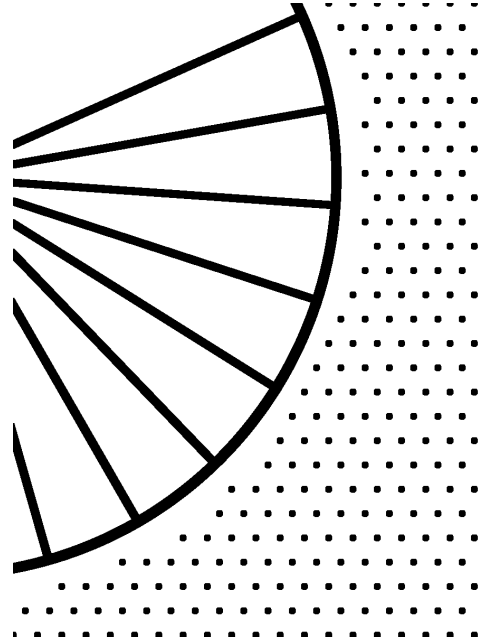

tape under 4

5  glue here	6  glue here	7  glue here
--	--	---

Teacher: Easy version: four days only. Color, cut on the thick lines, and glue each picture on the box with the same dots and number. Then retell: first, next, then, last.

Bereshit · The 7 days

בְּרֵאשִׁית

Teacher: For 6-year-olds. Cut off the picture strip, then cut out the squares. Glue each picture next to the day it was made. Say the day in Hebrew together.
