

Bereshit · Day order game

בְּרֵאשִׁית

Teacher: Cut on the lines: two sets of mini cards and the control strip. Children put a set in order, then check against the control strip.

 אֹר Light	 אָדָם Animals & People	 שֶׁמֶשׁ Sun & Moon	 שָׁמַיִם Sky & Water
 שַׁבָּת Shabbat	 דָּג Fish & Birds	 עֵץ Land & Trees	 אֹר Light
 אָדָם Animals & People	 שֶׁמֶשׁ Sun & Moon	 שָׁמַיִם Sky & Water	 שַׁבָּת Shabbat

Control strip: the right order (cut off and keep face down until the child checks)

How to play

Mix up one set of 7 cards. The child lays them in a row, left to right, and tells the story: “First..., then..., next..., last...”. Then turn over the control strip and check together. Two sets let two children (or two teams) play side by side.

Age 4 4 cards

- Use only 1 (Light), 3 (Land & Trees), 5 (Fish & Birds), 7 (Shabbat). Say “first, next, then, last”.
- Lay the control strip face up at first, so it is a matching game.

Age 5 All 7 cards

- Control strip face down. Child orders all 7, then checks.
- Retell each card with its movement from the story (tree arms, swim hands, rest...).

Age 6 What's missing?

- Lay out all 7 in order. Children close their eyes; take one away. Which card is missing?
- If they need a hint:
 - **Light:** It has the word **אור** (OR, light).
 - **Sky & Water:** It has the word **שמיים** (sha-MA-yim, sky).
 - **Land & Trees:** It has the word **עץ** (ETZ, tree).
 - **Sun & Moon:** It has the word **שמש** (SHE-mesh, sun).
 - **Fish & Birds:** It has the word **דג** (DAG, fish).
 - **Animals & People:** It has the word **אדם** (a-DAM, a person).
 - **Shabbat:** It has the word **שבת** (sha-BAT, Shabbat).
- Harder: mix both sets and play memory (match the twins), then put one set in order.
